ENCORE! ENCORE!

What do you do when your Lakeview salon is a hit? Like any Italian with a sense of style, you go for an encore.

Fuga Centro is now open on Michigan Avenue directly across the street from Millennium Park. It's the second salon from Antonio Favaro, who with his wife Kristen owns Fuga Italian Escape & Salon on Southport Street in Chicago.

Both locations offer a variety of cuts, color, facials, manicures, pedicures and waxing services.
